GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

FOR OFFICIAL USE ONLY

Coronavirus Disease 2019 (COVID-19) Situation Report
April 3, 2020 – 1900 hours
Report No. 37 (CHHS/Cal OES Joint Report)

Confidentiality Notice

This document is for the sole use of the intended recipient(s) and may contain confidential and privileged information, as well as material nonpublic information. Any unauthorized review, use, disclosure, or distribution is prohibited without the express written consent of the CDPH or Cal OES Executive Offices. The unauthorized disclosure or distribution of this information may result in civil or criminal liability for those disclosing, distributing, or receiving this information.

Situation Report - FOUO

Coronavirus Disease 2019 (COVID-19)

Report Date:

4/3/2020

Report Time:

1900

Situation Overview

- FEMA-4482-DR-CA**

On March 22, 2020, the President approved Major Declaration FEMA-4482-DR-CA (DR-4482) for the COVID-19 Pandemic.

- Executive Order N-33-20:**

On March 4, 2020, the California State Public Health Officer and Director of the California Department of Public Health (CDPH) ordered all individuals living in the State of California to stay home or at their place of residence, except as needed to maintain continuity of operation of the federal critical infrastructure sectors.

- Global Health Advisory**

On March 19, 2020, the U.S. Department of State issued a Global Health Advisory at Level 4 (Do Not Travel) due to the global impact of COVID-19.

Confirmed Global COVID-19 Cases - Per Worldometers COVID-19 Live Updates as of 1400 Hours on April 3, 2020:

- 1,091,215 (+83,422) Confirmed cases in 204 countries
- 58,518 (+5,907) Deaths

Confirmed United States COVID-19 Cases - Per Centers for Disease Control and Prevention (CDC) as of 1400 Hours on April 3, 2020:

Number of Cases	Source
1,388 (+244)	Travel Related
4,325 (+1080)	Close Contact
233,566(+23,811)	Under Investigation
239,279(+26,135)	Total Confirmed Cases
5,443 (+930)	Total Deaths

*Printed as reported by CDC.

Confirmed California COVID-19 Cases as of April 3, 2020:

	Count
Counties reporting community-acquired spread	47
Unknown cases (County TBD*)	54 (+5)

Confirmed California COVID-19 Cases by Local Health Department (LHD) - Per Medical Health Coordination Center (MHCC) Report as of 1400 hours on April 3, 2020:

Number of Cases	Local Health Department (LHD)
395 (+50)	Alameda (includes the City of Berkeley LHD)
1	Alpine
2	Amador
8 (+1)	Butte
3	Calaveras
1	Colusa
327 (+30)	Contra Costa

Situation Report - FOUO

Coronavirus Disease 2019 (COVID-19)

Report Date:

4/3/2020

Report Time:

1900

Legislative & External Affairs

- Legislative Affairs, CDPH, FEMA, and other federal and state partners held a COVID-19 briefing call for CSAC, CA League of Cities, and selected local officials on [April 3, 2020](#).
 - The briefing included an update from the state Business Operations Center on contributions and offers to manufacture or procure supplies for the COVID-19 response.
- Our office fielded legislative questions on:
 - [How to submit offers to manufacture or procure PPE.](#)
 - [Federal/State/Local responsibilities at the FMS sites and.](#)
 - [Graduation requirements for nursing students during school closures due to COVID-19 among others.](#)

Office of Tribal Coordination

- The Cal OES Tribal Affairs will report weekly on declaration paths for tribes across the state.
- Next CA Statewide Tribal Assistance Coordination Group (TAC-G) Call will be [April 6, 2020](#) at 1100 hours.
- Governor's Tribal Advisor hosts a Tribal Leaders call Wednesdays at 1700 hours. (This call is by invite only to Tribal leaders and council members).
- [55 \(+2\) Tribes](#) have declared State of Emergencies.
- [Every Thursday we will report on Tribes with what route they are choosing to take with their declarations.](#)

Office of Access and Functional Needs (OAFN)

- [Partnering with the communications team to address concerns that some In-Home Support Service \(IHSS\) care providers may not show up to assist their clients due to COVID-19 concerns.](#)
- [Partnering with Cal Volunteers, the California Department of Social Services \(CDSS\), and the California Department of Aging \(CDA\) to address the need for back-up In-Home Support Service \(IHSS\) providers in every county to assist clients throughout the COVID-19 pandemic.](#)
- [Coordinating with the State Council on Developmental Disabilities \(SCDD\) to promote plain language resources in multiple languages regarding COVID-19.](#)

Office of International Affairs

- [Participated in April 3, 2020 conference call hosted by Mexican Consulate to provide timely resource information and services for agriculture workers.](#)
- Working with Governor's Office, Department of Social Services, other state agencies, and NGOs to identify and disseminate resources for the vulnerable populations, including immigrant, farm workers, and undocumented population.

Advanced Planning Unit (APU)

- [Continuing follow-up on life insurance coverage and company sustainability \(on-going\)](#)
- [Continuing follow-up on COVID-19 testing strategies \(on-going\)](#)
- [Continuing daily regression analysis of COVID-19 data analysis and projection \(tested, positives, hospitalized, fatalities, and recovered\).](#)

U.S. Navy Ship (USNS) Mercy Hospital

- The Cal OES Law Branch is deploying an Incident Support Unit (ISU) – Mobile Command to the Port of LA in support of the USNS Mercy.
 - [The ISU will be parked alongside the FEMA Mobile Command Unit and Port of LA Mobile Command Unit at the Incident Command Post.](#)

Situation Report - FOUO

Coronavirus Disease 2019 (COVID-19)

Report Date:

4/3/2020

Report Time:

1900

- Increased public interest due to train theft and derailment near the USNS Mercy.
- A state priority is ensuring the health and safety of vulnerable populations, including older adults and those with access or functional needs.
- Various options are being explored for receiving, tracking and securing patient's belongings without jeopardizing ship security.

U.S. Navy Ship (USNS) Mercy Hospital Summary as of **April 3, 2020**:

Category	Count
Onboard (Med Surge)	7 (+2)
Onboard (ICU)	2
Onboard (Awaiting placement)	0
Total Patients Onboard	9 (+2)
Left Against Medical Advice (AMA)	1
Discharged	7
Total Patients Discharged Since March 28, 2020	8
In Transit to USNS Mercy	3 (+3)

Communications/Crisis Communications Task Force (ESF 2/ESF 15)

- Continue to monitor new COVID-19 locations for communications needs, including [the Sleep Train Arena](#).

Cal OES Public Safety Communications (PSC)

- Coordinatted with Federal PIO counterparts from FEMA, U.S. Army Corps of Engineers and SBA.
- Coordinated with County PIOs. Held coordination call. Promote and amplify Governor's Office messages/livestream and promote state message priorities through Cal OES social media and partner agency social media accounts.
- Continued to monitor new COVID-19 locations for communications needs. Sleep Train Arena. Developed focused Task force call structure.

Joint Information Center (JIC)

- California Department of Public Health (CDPH) responded to multiple media inquiries referencing different types of testing for COVID-19, deaths broken down by race, states having difficulty obtaining PPE, public health departments given greater discretion to release personal health information in a public emergency, CDPH's reason for allowing COVID-19 patients to be transferred to nursing homes, clarification about county numbers on the COVID-19 dash board, number of people who have recovered, how often COVID database numbers are updated, how California models COVID projections, ventilator supply, alternate care sites, and standards for PPE.
- Amplifying messaging to In-Home Support Service (IHSS) providers, which serve over 600,000 Californians, to encourage them – as essential workers – to continue assisting clients with their activities for daily living.
- California Department of Public Health (CDPH) responded to multiple media inquiries referencing purchases and supply of N95 masks, distribution of rapid test kits, reason for delays in conducting tests or receiving test results, batch email notifying people of negative test results revealed names of all recipients who were tested, compensation and malpractice insurance for Health Corps medical workers, skilled nursing facilities' suspension of regulatory enforcement,

Situation Report - FOUO

Coronavirus Disease 2019 (COVID-19)

Report Date:

4/3/2020

Report Time:

1900

COVID patients sent to nursing homes, confusing numbers on COVID-19 county dashboard, and age/gender information on COVID-19 deaths.

- CDPH has responded to media inquiries giving guidance details for workers, stay-at-home orders, vulnerable individuals, and data.
- Continue to amplify executive order initiatives to surge healthcare workforce to support COVID-19 response.
- Assisted Alameda, Contra Costa, Marin, Santa Clara, San Francisco, San Mateo, and Berkeley in amplifying messaging to extend self-isolation orders to May 1, 2020.
- Created and distributed a Spanish-language version of the "Get Tested" flowchart infographic, which describes how to determine if you should be tested and the steps that follow.
- Continue to coordinate and support next-day press releases with partner agencies' by 1700 hours daily in order to amplify messaging accordingly.

Corrections Facilities & Corrections Hospitals Task Force

Accomplishments:

- Department created and distributed Pandemic Operational Conditions Guidelines to its Adult Institutions.
- Currently in the process of identifying available PPE and burn rate of materials.

Cybersecurity Task Force (ESF 18)

- Begun scanning and assessing state agencies' Telework network infrastructure. The assessments include analyzing the results and offering agencies assistance with mitigating critical vulnerabilities.
- On April 2, 2020, the TF distributed "Teleconferencing Security Tips" to help mitigate interruptions to Zoom and other teleconferencing systems.

California State Threat Assessment Center (STAC) Open Source Media

- NSTR

Economic Impact/Recovery Task Force

- NSTR

California Governor's Office of Business & Economic Development (GO-Biz)

- Continues to monitor and respond to ongoing business and economic issues, as well evaluate impacts of the federal stimulus.
- Continues to provide technical assistance to businesses and connect them to capital, as well as other resources.

Fire/Law Enforcement Task Force (ESF 4/ESF 13)

- Working to assign a uniform manager at the State Operation Center (SOC) to serve as the Department's law enforcement liaison.
- Five (5) 20-person Hand Crew each and all necessary personnel, support, transportation and materials.
 - 65 additional soldiers to be trained and ready to backfill.
 - Assigned to fuel reduction efforts in SHU, NEU, BEU, and FKU (1 Crew in each unit with the exception of 2 crews in FKU).

County	Assigned Tasked	# of CNG Personnel Deployed
Riverside	FMS Support	10
San Mateo	FMS Support	20
Total	3	33

- CDPH Warehouse support
- Medical Screeners
- E-18 Cyber Security support
- Homeless Shelter support

Future Opportunities Task Force

Accomplishments:

- Completed draft criteria for reinvestment/recovery projects across agencies. Presenting to TF for feedback.
- Completed draft criteria for gov't resiliency actions. Presenting to TF for feedback.
- Established standing agenda for TF meetings and added new working group member from LWDA for future coordination between agencies.

Housing and Social Services Task Force (ESF 6)

Accomplishments:

- Taskforce met with targeted participants to review 8 identified priorities and discuss proposed courses of action for potential long term housing solutions.
- DGS holding kick off calls with counties with biggest need to provide hotel/motel identification and negotiation support.
- EMSA working to redirect EMTs to support Project Roomkey.
- CDCR in communication with BCSH and DSS regarding housing need for parolees and probationers. CDCR has some settings for parolees. Need support around probationers. BCSH and DSS working to make local connections to Project Roomkey.
- ESG allocations to state and local government are public and can be used to support Project Roomkey. \$1B available at federal level now and \$3B will be allocated in roughly 3 months and will use an allocation methodology that better represents CA need.
- The Department established an Adult Protective Services statewide hotline to help those individuals who may need protection from abuse or neglect. Individuals can enter their five-digit zip code and be connected directly to county Adult Protective Services staff 7 days a week, 24 hours a day.

CA Department of Social Services (CDSS)

Children and Family Services:

- NSTR

Food Assistance

- NSTR

Community Care Licensing Division (CCLD)

- CCLD's licensing staff Rapid Assessment and Support Teams (RAST) continue to conduct virtual video conferencing tele-visits to all residential senior care facilities to ensure the health and safety of residents and providers.

Situation Report - FOUO

Coronavirus Disease 2019 (COVID-19)

Report Date:

4/3/2020

Report Time:

1900

- To date, RAST tele-visited more than half of statewide licensed residential care facilities, in conjunction with a Health Facilities Evaluator Nurse from the California Department of Public Health, to provide direct technical assistance on social distancing, isolation, and disinfection procedures.
- For the latest CCLD Provider Information Notices and resources related to COVID-19, visit the Community Care Licensing Division Website Homepage.

Homelessness Subcommittee

- NSTR

In-Home Supportive Services (IHSS)

- NSTR

Housing Trailer Operations as of April 3, 2020:

	Count
Total Trailers Allotted for Counties	1,305
Total Trailers Delivered to Counties	667 (+83)
Total Cost of Delivered Trailers	\$12,418,489 (+1,665,337)

Hotel Rooms for Homeless Populations as of April 3, 2020:

	Count
Total Hotel Rooms Required	15,000
Total Hotel Rooms Acquired	7,178 (+311)
Total Hotel Rooms Remaining to Meet Unmet Need	7,822 (-311)

Innovation & Technology Task Force

Accomplishments:

- Provided Federal Emergency Management Agency (FEMA) with daily hospital operations data.
- Expanded access of daily hospital data to the Medical Health Operational Area Coordinators (MHOAC's) and Regional Disaster Medical Health Coordinators (RDMHC's).
- Added "Housing & Homelessness" resource webpage at covid19.ca.gov as well as a link that enables users to sign up for county alerts.
- Established an email account for state officials who receive unsolicited proposals for COVID-19 related technology products and solutions. Any proposals received can be forwarded to Covid19Tech@state.ca.gov for consideration.
 - The account will be monitored by the California Department of Technology who will interact with external parties and direct them to submit their proposals via a public-facing portal scheduled for implementation NLT 4/6.
 - State officials who have identified technology needs for COVID-19 response may also direct their needs to this email account. The Technology Solutions Group will review each recommendation to see if matching solutions have been proposed.

Logistics/Commodity Movement Task Force (ESF 7)

Accomplishments:

- Sleep Train walk-through completed April 1, 2020. Owner continues clean-up efforts, anticipated completion is April 3, 2020.

Situation Report - FOUO

Coronavirus Disease 2019 (COVID-19)

4/3/2020

Report Time:

1900

Public Health and Medical Task Force (ESF 8)

Accomplishments:

- Launched the Dashboard for California COVID19 Healthcare Surge Planning which is reflective of surge facilities and the regional approach with drive times.
- DDS obtained the leasing contract for Fairview. Moving forward construction and services contract in collaboration with DGS.

California Department of Veterans Affairs (CalVet)

- NSTR

California Department of Public Health (CDPH)

- On April 2, 2020, CDPH Center for Family Health has submitted for approval a guidance document for Children and Youth with Special Health Care Needs title "Tips and Resources for Families of Children and Youth with Special Health Care Needs During COVID-19 Pandemic".
- Women Infant and Children (WIC) implemented a new computer system that local agencies are now using and issuing WIC cards through, this gives the ability to serve families remotely.
- Women Infant and Children (WIC) has issued guidance to local agencies on how to submit line item shifts for expenditure flexibility as authorized by Executive Order to transfer funds between line items within their contracts.
- The MHCC received approximately 7,225 (+200) inquiries from local health jurisdictions and healthcare facilities.
- CDPH continues to coordinate with the Office of the Assistant Secretary for Preparedness and Response (ASPR) to receive resources from the Strategic National Stockpile.

Guidance

- On April 2, 2020, CDPH released an All Facilities Letter notifying Adult Day Health Care Centers (ADHCs) of a temporary waiver of specified regulatory requirements due to the state of emergency related to the Coronavirus Disease 2019 (COVID-19) outbreak.
- On April 1, 2020, CDPH released guidance on the use of cloth face coverings to protect against COVID-19 for Californians who must leave their homes to conduct essential activities. This guidance was distributed via CAHAN and is available on the CDPH website.
- CDPH is drafting the following guidance documents:
 - Funeral Home Guidance – In Review
 - Veterinary Guidance – Completed.
 - When to go to the Emergency Room (ER) Guidance.
 - Guidance for Dentistry – In review.

Healthcare Delivery System

- CDPH Center for Healthcare Quality (CHCQ) assisted a total of 1,806 Long-Term Care Facilities, 3,743 Residential Care Facility for the Elderly, and 56 Adult Residential Facilities on basic infection control.
- CDPH Center for Health Care Quality continues to provide technical assistance to providers and stakeholders, such as providing health care facility ArcGIS and data support, situational reporting, and other support functions.

Emergency Medical Services Authority (EMSA)

- EMSA continues to deploy medical personnel, including paramedics and emergency medical technicians contracted through American Medical Response to assist with patient care at various sites throughout California.

Situation Report - FOUO

Coronavirus Disease 2019 (COVID-19)

Report Date:

4/3/2020

Report Time:

1900

- As of March 30, 2020, 73 California Medical Assistance Teams (CAL-MAT) members have been deployed.
- As of April 1, 2020, over 34,000 new volunteers have registered in the Disaster Health Volunteer (DHV) database in the last two days.
- EMSA Station 1 continues to refurbish ventilators and package them for distribution to local partners. Updated numbers of ventilators available for deployment are provided to the Public Health and Medical Task Force at the State Operations Center.

Department of Health Care Services (DHCS)

- DHCS prepared an application for CCP funding from FEMA, due April 5, 2020, currently under review and signatures with Cal OES.
- Newsflash have been drafted and will be released on the Department's Medi-Cal Website notifying providers of:
 - Flexibilities for Presumptive Eligibility for Pregnant Women (PE4PW) due to COVID-19.
 - Child Health and Disability Program (CHDP) Gateway Flexibilities due to COVID-19.
 - Hospital Presumptive Eligibility (HPE) Flexibilities due to COVID-19.
- Preparing Disaster Service Announcements related to In-home Supportive Services.
- Department's Behavioral Health Division is preparing a FAQ regarding COVID-19 Section 1135 Waiver Request.

Office of Surgeon General (OSG)

- Working with Department of Mental Health and Department of Health Care Services on All Plan Letters and letters to healthcare providers on the secondary health impacts of COVID-19.

Schools Task Force

California Department of Education (CDE)

Accomplishments:

- On April 1, 2020, Early Learning and Care Division (ELCD) hosted a webinar to provide contactors with guidance on apportionment, attendance, and reporting requirements, and temporary waiver of family fees.
- Issued third Friday Email to the Field on April 3, 2020 providing resources and updates regarding:
 - April 1, 2020 Grading and Graduation Guidance.
 - April 1, 2020 Labor Management Framework.
 - April 2, 2020 Joint Statement with Higher Education.

California Community Colleges Chancellor's Office (CCCCO)

- MiraCosta College reports its advanced manufacturing lab, with CNC machines and 3D printers, can quickly be turned into a space in which PPE such as face masks shields and masks can be produced.
 - Other community colleges also have 3D printers that can be used for this purpose.
 - Students have also offered to hand sew masks if needed.

Transportation and Critical Infrastructure Task Force (ESF 1/ESF 3)

Accomplishments:

- Secretary Kim had a Conference Call w/ California Transit Association, CA Joint Powers Authority, and CalACT.
- Secretary Kim participated in a webinar with California Trucking Association.
- The CPUC Consumer Protection and Enforcement Division (CPED) reported the Santa Clara VTA in San Jose will resume limited operations beginning on 4/8.
- CDFA is establishing a running list of potential PPE and supply vendors for industry producers; the list is released to industry as it is updated. Industry is advised to do their own vetting and verification of each vendor.
- Researched reports from Pacific Merchant Shipping Association about shipping containers stacking up ports and warehouses.

California Department of Food and Agriculture (CDFA)

- Coordinating with the California Veterinary Medical Association to contact veterinary hospitals to verify operational status of available ventilators and will report data back to the SOC for potential re-assignment of veterinary ventilator resources to health/medical needs.
- Continuing to work with the SOC Transportation Critical Infrastructure Task Force to facilitate solutions for registration of livestock trailers and pesticides and fertilizer transporters in need of medical clearance.
- Submitted a youth project animal care advisory to CDPH for approval; will disseminate and publish on the website once approved.
- CDFA and the dairy industry are coordinating with the regional water quality control boards to prepare for the need for dairy producer excess milk disposal; the most dairy dense regions have approved disposal with notification. To date, six regions have approved milk disposal protocols.

US Customs and Border Protection (CBP)

- Implementing restrictions to non-essential travel at all the passenger vehicle and pedestrian crossings. About 100-120 people a day are being denied entry at all the California Land Ports of Entry with Mexico because their travel does not qualify as essential.
- Changes on hours of operations are expected to occur on 4/5 at the Tecate, Calexico East, and Andrade Ports of Entry.

California Public Utilities Commission (CPUC)

- Continuing to review regulated entities Business Continuity Plans to ensure safe, reliable, and reasonable service continues throughout the COVID-19 outbreak.
- The Consumer Protection and Enforcement Division (CPED) continues to receive reports of carriers considering suspending their TCP permits due to loss of business.

California Department of Transportation (Caltrans)

- Caltrans and CHP receiving requests from local governments to use Caltrans Park and Ride lots for mobile COVID-19 testing.

Energy Commission (CEC)

Electricity:

- **Continuing** to monitor request from ESF#12 FEMA RIX Regional Coordinator - Western Area Power Administration (WAPA) is working on plans to sequester key control center personnel in an effort to keep their workforce healthy and the power flowing.

Situation Report - FOUO

Coronavirus Disease 2019 (COVID-19)

Report Date:

4/3/2020

Report Time:

1900

- They are looking to obtain COVID-19 test kits to have on hand in order to rapidly test any critical personnel at these sequestered locations.
- The sequestration process is being addressed at the national level as many power authorities are looking at sequestering key staff. There may be additional guidance coming from these national level discussions. FEMA Coordinator is contacting the Regional ESF#8 to ensure states are aware of this request and to also confirm the correct process to procure test kits and/or get on the priority listing.

Refineries & Transportation Fuels:

- On April 3, 2020, compelled conference calls with all of the state's largest refinery operators to assess impact of decreased demand for gasoline and jet fuel.

California Department of Water Resources (DWR)

- Monitoring and reporting all staffing and emerging issues that may have an impact on operating the State Water Project infrastructure and taking all precautions to enable the operations to continue without issue.

California Utilities Emergency Association (CUEA)

- NSTR

California State Threat Assessment Center (STAC) Critical Infrastructure Protection

- NSTR

Volunteers & Philanthropy Task Force

Accomplishments:

- Processed urgent request from LA County for volunteers. Sent to county EOC for action.
- TF assigned MRT 12623 to Team Rubicon for action, currently standing by.
- Developed procedure letter for organizations giving Step By Step information about request processing.
- Department of Aging is distributing federal fund award of \$25.086M for nutrition services expansion, providing technical support and consultant support to help AAAs and local CBOs to transition congregate meal programs to home delivery models. The goal is to ramp up and adjust home delivered programs to serve additional meals and people and to support and promote field innovations to meet the nutrition needs in their community.
- Coordinating with UC Davis data scientists and CA Dept. of Technology on how to forecast future food assistance demand.

Food & Supplies Workgroup

Accomplishments:

- Guidance was provided to counties regarding the recent federal approval to issue Emergency Allotments to all SNAP recipient households in California.
- Our federal partners at Food and Nutrition Services (FNS) approved the Department's plan to allow CalFresh recipients to purchase food online using EBT.

Food Distribution Summary as of April 3, 2020:

	Amount
Foodbanks Open (CDSS Contracts)	48
Foodbanks Open with State-Organized Volunteers	20 (+1)

Situation Report - FOUO

Coronavirus Disease 2019 (COVID-19)

Report Date:

4/3/2020

Report Time:

1900

	Amount
Number of CA National Guard Deployed to Food Banks	254 (-30)
Number of Team Rubicon Personnel Deployed to Food Banks	28 (-2)
Number of CA Conservation Corps Deployed to Food Banks	122 (-9)

California Department of Food and Agriculture (CDFA)

- CDFA is establishing a running list of potential PPE and supply vendors for industry producers; the list is released to industry as it is updated. Industry is advised to do their own vetting and verification of each vendor.
- Connected the dairy industry with food banks to facilitate donations of excess fluid milk.
 - CDFA confirmed no commercial production milk is being dumped at this time, but industry is bracing for this potential in coming weeks.
 - Regional water boards are aware and have established milk dumping protocols for producers.
- Approved COVID-19 guidance for equine care.
- CDFA sent a survey to all fairgrounds statewide to assess broadband or WiFi availability and to assess economic impacts of fairground closures and event cancellations.

Contributions Workgroup

- Catalogued 235 resource procurement and donation focused emails.
- Catalogued 74 e-mails into Contributions database.
- Contribution Portal soft launched on April 2, 2020.
- Received donations of 150,000 Latex Gloves and 2,100 KN95 Masks, 20,000 N95 (in process).

Workforce Development and Surge Capacity Task Force

- Connected Go Biz and Bitwise with LinkedIn Learning for collaboration on Onward CA.
- Distributed link to Health Corps recruitment website and application to 1 million active people on Cal Jobs.
- Assessed Tulare County hiring needs.
- Connected LA Homeless Authority and the Hotel Training Academy and Unite Here in LA to refer laid off hotel workers for roles as case managers/guest service staff in hotels to house people who are homeless.
- Sent CDSS points of contact for hiring for counties who will need additional workers; these central points of contact at the state will activate partners at the local level to connect applicants.
- Connected to Adobe, a contractor operating homeless hotel in Oakland, to hire workers in partnership with Unite Here and to utilize the pool of laid-off hotel workers.
- US Postal Service sent out invitations to the April 8, 2020 virtual job fair to hire 1,000 workers in the Bay Area; distributed to Bay Area workforce partners. SF Office of Economic and Workforce Development and NOVA Job Center working directly now with USPS.
- Briefed California Workforce Association on Workforce Surge hiring and referral efforts.
- Contacted NOVA Job Center in Santa Clara to work with manufacturing facilities in Fremont, such as Evolve, to fill emergency hiring needs.
- Worked with GoBiz to connect Onward CA with Cal Jobs and Health Corps hiring.

Situation Report - FOUO

Coronavirus Disease 2019 (COVID-19)

Report Date:

4/3/2020

Report Time:

1900

- CalHR released guidance related to HR 6201, which provides expanded sick leave as well as Family Medical Leave Act protections related to COVID-19 impacts. HRSD is preparing information for release to EDD managers and staff which will be released soon. FAQs will also be updated.
- Workforce Services and Unemployment Insurance (UI) Branches, in coordination with the City of Santa Ana, conducted a Rapid Response session for the employer Service Employees International Union, United Service Workers West, via teleconference from 1400-1500. Approximately 50 affected employees from various employers were expected to participate due to being laid off from the impacts of the COVID-19 precautions.

Unemployment Economic Impact as of April 3, 2020:

	Amount
Individuals Filed on April 1, 2020	96,649 (-32,973)
Individuals Filed since March 12, 2020	2,018,772 (+99,345)

County Reports (Reported by MHCC and MRCC)

Butte

- Encouraging local hospitals to identify tents & hotels for exceeding planned surge capacity.
- Researching new Disaster Health Volunteers policies currently implemented by State.

Contra Costa

- Public Health Laboratory is reporting a 3-week supply of testing kits with 70 tests per day.
- Nasal swabs for obtaining samples is in short supply.
- Laboratory staffing is a critical concern to maintain testing.

Del Norte

- County priorities noted as lifeline communication routes, identifying housing, feeding and medication needs of vulnerable populations.

Glenn
